

Checklist for completion of Partnership Deed

- ☐ Ensure **all** the founders are included in the agreement. See first and last pages.
- ☐ Verify all founder details including name, age, parent name, addresses and ID proofs are entered correctly at the first and last pages.
- ☐ If any of the above details are incorrect, re-generate your agreement by updating the corresponding founder profiles. For further assistance, contact help@sv.co if required.
- ☐ Print the Partnership Deed on a Stamp Paper of denomination which is acceptable for partnership registration at your state where you execute the Partnership Deed. This denomination varies for each state.

Note: You require an address proof to execute the Partnership Deed at any state.

- ☐ Fill the name of your Startup at Clauses 1.1 and 3.1.
- ☐ **All founders** must initial (simplified signature) **every page** of the agreement: First page to Schedule D.
- ☐ All founders must sign at the designated areas in the last page.
